

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

Issued from The Office of The Condor, First National Bank Building, Hollywood, Cal.

# A Guide to Nature

## The best General Magazine of Nature Ever Published

**A successful attempt to publish a "Professional" Magazine with the  
Amateur Spirit.**

Attempts of various parties in the past have shown that it is very easy to **Publish** in the amateur way, with the amateur spirit. But soon the body was "dead" and only the spirit left.

The Guide to Nature is for all students and lovers of nature. That includes all ornithologists, though it isn't an ornithological magazine. There are really some things in nature beside birds that are worth while.

The Guide to Nature is too good, too expensive for free distribution. No other nature magazine ever published contains so many beautiful illustrations.

**Send 15c for single copy, or join with us whole-heartedly and send \$1.50 for a year**

**EDWARD F. BIGELOW,**  
**Stamford, Connecticut** **Managing Editor.**
